

MITES SPOTLIGHT

LWML Mission Grant #4 = \$25,000

Bringing Christ & Hope to Michigan's Urban Communities (Acts 2 Enterprise)

Acts 2 Enterprise mission and ministries delivers health, hope and healing to the cities of Detroit, Flint, Pontiac and Benton Harbor, all cities facing significant societal challenges. With lack of quality housing, depressed economy, high unemployment, elevated poverty rates, underperforming schools, and high rates of violence, it is going to take all of us working together to create hopeful, healthy environments for urban children, families, and communities.

Jesus saw the city as a strategic epicenter for a worldwide movement when he told his disciples, in Luke 24:49, to **"remain in the city until you have received power from on high"**.

Your mite money will support this grant to enable the ministries of Acts 2 Enterprise to continue to have a strong focus on, and to make a concerted, long term impact in these cities. So let's all work together. Please share this information with your church and encourage them to contribute to their mite boxes to help fund this grant.
