

Willkommen to Frankenmuth... for the 2022 LWML Michigan District Convention!!!

Wait!! I thought we were going to SEE the Lord in Gaylord? Well, although that was our intention the Lord had other plans in store for us. **Now we will HEAR the Lord in Frankenmuth!**

Due to unforeseeable circumstances stemming from the pandemic the Ellison Place had to raise their prices by 60% and were unable to furnish the restrooms that we needed to accommodate our convention. Due to these circumstances the Executive Committee agreed to a location change and our Host Committee has graciously agreed to support this change.

Take a guess where the first Michigan District convention was held?? Yes, right in Frankenmuth! As doors seemed to be closing in Gaylord they began opening in Frankenmuth. Both the Bavarian Inn and St. Lorenz Worship and Event Center (WEC) are available to host our group. How special it will be to celebrate LWML's 80th anniversary in 2022 where the first convention was held.

I think living in a post pandemic world everyone has learned to be flexible and gracious with change. And for this I THANK YOU! There is ONE MORE CHANGE that I need to bring to you...

Due to the last minute location change some things will look a little bit different. One of those differences is a **SHIFT of DATES for the convention**. We will start with our opening worship service Thursday night July 7, 2022 and we will conclude with our sending service and new officer installation on Saturday afternoon July 9, 2022.

So mark your calendars ladies!! More information to follow soon!
