Big Bear Adventures

(bigbearadventures.com) offers a variety of fun activities to do before or after convention. For the ultimate in stability and group adventure, their 5 person and 7 person rafts can't be beat. Made of extremely durable Hypalon, these rafts are spacious, relaxing, comfortable, and a great "team booster". The **best part about rafts** is that they are nearly impossible to tip over (not a single raft has tipped since introducing them in 1999!) making them great for all ages,

and a relief to leaders and parents! The Sturgeon River does most of the work as far as taking the raft downstream, and it is up to each "team" member to work together to steer the raft down the narrow, winding river. **A very exciting adventure indeed.** All raft trips end inside Burt Lake State Park. The Park has a wonderful **day-use area w/2000 ft of sandy beach**, volleyball court, **playground equipment**, picnic shelter with tables & grills, baseball diamond, and **1-mile wooded hiking trail**, restrooms, and lots of **room to run**. Call ahead to let them know you're coming so there is equipment for everyone with our LWML crowd.
