

# Welcome to Online registration for the 2020 LWML MI District Convention

Dear Society Leader:

We will again use Eventbrite to register for the LWML MI District 2020 Convention. Instead of step by step instructions, this year we are providing you with a Convention Worksheet that lists out what you will need to select as you complete your registration. As in the past, you will receive an immediate confirmation that you are registered and an email confirmation that will include a "ticket" that will list out all of your information, selections, etc. along with a code that we will scan when you arrive at the convention. This sped up the sign-in process tremendously.

For those Spouses and Teens who accompany another paid registrant, use Discount code SpouseTeens for a \$25 discount. Those registering who will only be at the convention on Saturday will use Discount Code SatOnly for a \$25 discount.

Registration will take place from early March through Memorial Day. Those who register after that will be charged an additional \$20 and after 6/15/20 will not be able to choose to purchase T-Shirts, Polo shirts or Charms/Tie-tacs. We will be ordering a small supply of extras and those will be available for purchase at the convention center on a 1<sup>st</sup> come-1<sup>st</sup> served basis.

**Where to find the link for registration:** <https://www.lwmlmichigan.org/>. It's the first item under HOT ITEMS!

If you or someone in your society does not have a computer and someone from your family, society, etc. cannot help you with the registration, please call me and we will get you registered.

Just a reminder that Pastors who will only attend the Friday night worship service do not need to register.

If you come up with any questions later, do not hesitate to contact me.

Blessings of Peace & Joy,

Convention Registrar,

Candie Sionkowski
